On November 17, 1995, the Chairman of the Public Service Commission of South Carolina (the Commission) issued Emergency Order No. 95-1684 in this Docket which restrained and/or enjoined the Board of Public Works of the City of Gaffney from disconnecting the electrical service now provided by Duke Power Company and Broad River Electric Cooperative, Inc. until further Order of the Commission. Pursuant to Regulation 103-886, this Order now comes before the full Commission for consideration.

2. This matter shall be set for hearing in order to further investigate the matters at issue.
